

# AAACN Virtual Ambulatory Nursing Certification Review Course

The AAACN Virtual Ambulatory Care Nursing Certification Review Course is a one-day course (8.0 contact hours) based on the American Nurses Credentialing Center (ANCC) Test Content Outline for the ambulatory care nursing certification exam. The target audience are RNs interested in taking the exam, nurses transitioning into ambulatory care, or those who need a refresher of the ambulatory care nursing specialty. It is a valuable opportunity to reinforce a nurse's knowledge of ambulatory care, identify weak areas, and learn new information. All topics are offered in an interactive, case problem-solving style to enhance critical thinking. Attendees can participate from anywhere on a mobile device. **Please note this course does not grant certification in ambulatory care nursing.**

**Cost:** The fee to present the course is \$6,000 includes the information below. A deposit of \$1,000 is required at the time this agreement is signed (no later than 45 days prior to course date). The balance will be invoiced following the course date.
