

AAACN Milwaukee Local Networking Group (LNG) Quarterly Meeting

In celebration of ANA's Year of the Healthy Nurse....

“Caring for the Nurse”

Presented by

Sally Turner, RN, MSN, MS

- Innovative Entrepreneur & Strategic Operations with Aurora Health Care
- In 2013, left a CNO position to focus on transforming the patient, family and caregiver experiences. Her passion is to work with leader, clinicians, and all caregivers to develop their skills and transform their cultures, so caregivers can thrive and patients and their families no longer will feel like foreigners, but rather like owners in their health care journeys.
- Created first retail clinic in Midwest in 1997
- Created Aurora's Integrative Medicine Clinic in 1997
